New 10 game season starts September 18, 2006. Games played weekly, Monday nights, from 7:45 until about 10 pm. Three top teams play off for championship at end of season. How we play: in each game, two 5-player teams sit down with a Quizmaster and play against each other. Questions include current events, Canadiana, music, science, literature, entertainment, geography, history, and sports.

Cost is \$3 per person per game, to cover expenses and prizes.

We welcome complete new teams. Please contact us before September 11 to allow our schedules to be adjusted. Individuals who would like to join existing teams that are shorthanded are welcome at any time- or just come along to watch.
